

Technology with a Mission

To our valued customers:

Seametrics inc. is proud the majority of our products are engineered, manufactured, packaged and shipped from our facility in Kent, Washington USA. Customers requiring a USA point of origin can be assured the following products comply with the:

- Federal Trade Commission’s Made in the USA Standard.
• American Recovery and Reinvestment Act of 2009, Section 1605 as outlined in Sections 176.70 to 176.90 of the Federal Register.
• NAFTA Certificate of Origin.

Table with 4 columns: Series Name, Description, Series Name, Description. Rows include AG Series, AO Series, DL76, EX Series, EM Series*, FT Series, iMAG Series, IP Series, PD Series, PE Series, PS Series, PT Series, SP Series, TX Series, WMP Series, WMX Series, and WT Series.

*Note: EM Series, Low-Flow Magmeter complies but is no longer in production.

If you should have any questions regarding Seametrics’ Made in the USA claim, please feel free to contact us at 253-872-0284 or at info@seametrics.com.
